

Media Kit - *Les McGehee Plays Well With Others: A “Grown-Up” Handbook of Improvisation and Play*

VIII. What Others Are Saying:

After working with Les, I adopted “Yes, and...” as a spiritual discipline, and it’s gradually becoming a reflex to see obstacles as opportunities in disguise. The practice has proven a reliable source of inspiration for writing, teaching, and harmony in relationships. - Steven Tomlinson, Ph.D.

“Les is the BOMB!” - Wayne Brady, *Whose Line is it Anyway?* ABC Television

His lighthearted, humorous approach to having fun at work is just what we need, especially in healthcare. What’s more, Les’ games carry a subtle, important message: “This work is just too important to take seriously.” Les has made me a believer. - Chris Bacorn, Ph.D., MPA, CHE

I have witnessed repeatedly the immediate success of McGehee’s improvisation methods in transforming individuals and groups into people who are creative, open, imaginative, and respectful risk-takers. - Leslie Jarmon, Ph.D.
